VISITORS

YOU CAN HELP KEEP EVERYONE SAFE IN THIS HEALTHCARE FACILITY

✓ DO's

Wash hands or use alcohol-based handrub before entering and when leaving the patient's room
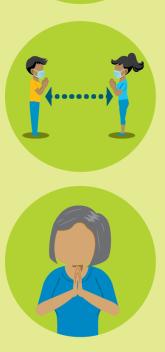

Listen to healthcare worker instructions at all times

Limit the time you spend in the patient's room

Keep at least 1m physical distance between yourself and the patient

Use an alternative, non-touch greeting

Reconsider the need to visit, e.g. use mobile technology to connect instead

✗ DON'Ts

Do not visit the hospital if you are unwell

Do not touch, hug or kiss the patient

Do not use the patient's toilet

Do not sit on the patient's bed or on a chair inside the patient's room

Do not bring anything into or take anything out from the patient's room without checking with a healthcare worker
