We went beyond so you can too

Long range cruising has a new name. New levels of luxury and structural superiority too. Riviera proudly present the class redefining 68 and 72 Sports Motor Yacht. Totally constructed in-house in Australia to exacting Riviera standards, then ocean tested off the world's largest island continent. Now experience true long range cruising the Riviera way. With unprecedented saloon, mezzanine and cockpit space, three or four staterooms, four bathrooms, optional crew cabin or utility room - all without equal. Fittingly complemented by refined handcrafted appointments at every turn. And highlighted by a whisper-quiet ride and super smooth running at speed that go beyond anything you have previously experienced. All with the confidence that you're yachting is supported by Riviera's industry leading support.
