

CAUTION NOTICE: FRAUDULENT JOB OFFERS

It has been brought to our attention that certain unscrupulous and fraudulent individuals / agencies / job portals are sending out false / fake emails / offers of employment purporting to be from “Micro Labs Ltd”.

The emails ask the recipient to deposit a certain amount as a security fee for interview / other charges. The emails are falsely stated to be from officials of **Micro Labs Ltd**. And/or Placement Agencies authorized by Micro Labs Ltd.

While we do entertain Placement Agencies for recruitment, please note that Micro Labs Limited do not collect or authorize any such Agencies, to collect any money from candidates for interview / placement. Micro Labs Limited has also not authorized any agencies to issue any offer of employment on behalf of the Company.

Micro Labs advise the job seekers:

- **NOT to respond to any fraudulent emails**
- **NOT to fall prey to such fraudulent activities and**
- **NOT to make any payments to such fraudsters.**

Any job seeker dealing with such unauthorized, fraudulent or suspicious offer(s) or interview call(s) would be doing so at their own risk and Microlabs cannot be held responsible for any such fraudulent action(s).

Micro Labs reserve its right to take legal action including criminal action against such fraudsters.
